Do You Want To

Xscape

Oh yeah yeah
Hey baby, I wanna know one thing
Do you want me as much as I want you?
Say you doNever should have kissed you, never made that call
I told myself in love I shouldn't fall
Would've been a pleasure, just to know your name
Look at me, silly me, now I'm back in love againAnd there's nothing you can tell me
Nothing I can do
I just hope that you're in love with me
The way that I'm in love with youDo you want to
Like I want to be in love with you? Say you do
Do you want to
Like I want, I want to make love to you? Say you doNever understand it, loving takes control
I ask myself girl, should you let it go?
That would be too crazy life without you now
Hate to think of it happening, that you won't be aroundNow there's something you can tell me
Something you can say
Promise me you'll stay with me
Until my dying dayDo you want to
Like I want to be in love with you? Say you do
Do you want to
Like I want, I want to make love to you? Say you doNow my deep emotions
Have completely come over me
I'm into you, I'm loving you too deep
Oh, yes I amShould have seen it coming
Felt my heart beating much too weak
I can't control, I can't let go
Of you baby, you baby, youDo you want to
Like I want to be in love with you? Say you do
Do you want to
Like I want, I want to make love to you? Say you doDid it feel good to you, baby?
Like it felt good to me
To be in love with you
Say you doDo you want it again baby, baby
'Cause I want it right now, yes I doI want to make love to you, say you do
Do you want to?Sometimes I cry, baby
Sometimes I weep at night, baby
Take me, shake me, tell me you love me, baby
Say you really, really love me, babySometimes I can't sleep at night

'Cause I want you right here by my side
Baby, baby, baby, oh yeahDo you want to?
Say you want to make love to me
Like I do to you, oh yeah
Say, just say
