

# Heard It On The Radio (From "Austin & Ally")

Ross Lynch

What up?!

Summer in the sand  
He's a drummer in the band  
Drop the beach  
He's a dj at the boardwalk  
I smile and I tan  
And her sandals in her hand  
Rockin' her shades  
You could almost see the eyes lock  
What could be better  
Than a party in the weather  
With the both of us together  
In the backdrop?  
Everything was right  
And the day turned into night  
With the music and the lights  
That's when we stop Oh, I heard it on the radio  
Sing it out loud  
Oh, coming down to see your show  
Uh, uh, oh,  
Everybody now  
I heard it on the radio  
Oh, ohoo  
Uh, uh, oh Everybody now  
Coming down to see your show  
Play it back, play it back  
One time yeah  
I heard it on the radio  
Board and a wet suit  
On the day we met  
You'd think if you were  
Catching a wave  
Shorts and a jet ski  
All the other summer things  
Kickin' it in the sun  
All day  
We only got time for each other  
And we only got time for the summer  
Everybody knows

If you gotta let it go  
Take the chance  
Make it go your way  
Oh, I heard it on the radio  
Sing it out loud  
Oh, coming down to see your show  
Uh, uh, oh,  
Everybody now I heard it on the radio  
Oh, ohoo  
Uh, uh, oh  
Everybody now  
Coming down to see your show  
Play it back, play it back  
One time yeah  
I heard it on the radio Okay,  
Listen to the story 'bout the party  
'bout the glory, 'bout the summer that would raise the bar  
Anyone will tell you  
It was chillin', it was stellar  
The best time we've had so far  
Everyone together  
Always goin' "never better"  
And the good times go on, and on, and on  
Never will forget it  
Doesn't matter where we're headed  
I'll remember when I hear our song  
What! Oh, heard it on the radio  
Oh, coming down to see your show  
Uh, uh, oh,  
Everybody now Heard it on the radio  
Oh, ohoo  
Uh, uh, oh  
Everybody now  
Coming down to see your show  
Oh oh, oh I heard it on the radio  
Oh oh, oh  
I heard it on the radio  
Oh, I heard it on the radio  
Everybody now  
Oh, coming down to see your show Uh, uh, oh,  
Uh, uh, oh  
Play it back, play it back  
One time yeah  
Uh, uh, oh
