

Be As

Prozzak

Julie wants to get out of town, she needs to settle down
Move to a place where no one knows her
Lisa just had to get away, nothing could make her stay
Tired of living under cover
Everybody knows somebody trying to get free
Be as white as you want to
Be as black as you want to
Be as brown as you want to
Don't let anybody stop you
Be as straight as you want to
Be as gay as you want to
You can wait if you want to
We all need something to hold on to
And if there is a way that you and I could both be free
Have a little understanding and we will be
Daniel moved to another school alliances can be cruel
When you're alone without nobody
Michael begged Jen to take a stand and fight for the love they had
But she'd rather deal with being lonely
Everybody's got somebody telling them what to be
And if there is a way that you and I could both be free
Have a little understanding and we will be
Na, na, na, na, na, na
And if there is a way that you and I could both be free
Have a little understanding and we will be
Be as shy as you want to
Be as loud as you want to
Be as small as you want to
Don't let anybody stop you
Be as thin as you want to
Be as fat as you want to
Be as short as you want to
We all need someone to hold on to
