

# Spend It All on You

William Michael Morgan

This world's gone crazy  
Runnin' ragged in a rat race  
And I've been thinkin' lately  
We could use a little getaway  
A day or two alone, oh, it's been too long  
Are you feelin' it too  
I've been savin' up my time, every minute I can find  
To spend it all on you  
We could hop a plane to Denver  
Watch a snow fall on the trees  
Well there's tequila in a blender  
Waitin' somewhere in the Keys  
Or we could just go home, we'll turn off the phone  
Baby, tell me what you wanna do  
I've been savin' up my time, every minute I can find  
To spend it all on you  
Every minute, every hour  
Every day, every night  
I wanna spend it all on you  
For the rest of my life  
Baby, let's go home, we'll turn off the phone  
And you can tell me what you wanna do  
I've been savin' up my time, every minute I can find  
To spend it all on you  
I'm savin' up my time, every minute I can find  
To spend it all on you  
Mmm, spend it all on you
