

# That Was A Crazy Game of Poker

## O.A.R. (...of a Revolution)

Oh, my twenty thrown down in my fist of rage  
And the man to my left folded down  
Well, Johnny doubled up with a Royal Flush  
I had three jacks and a pair of nines My mind is turning just two shots more  
There's not much left to play  
Well, then dude walks in black, hat on top, what a mop  
I'm lucky it wasn't a county cop 'cause I'm just running out of time Who's up for game two, what to do?  
My wallets getting thin and I just lost my watch last night  
Oh, I got a problem, just one answer got to throw it all down  
And kiss it goodbye, yeah That was a crazy game of poker, I lost it all  
But someday, I'll be back again  
And I, never to fall, never to fall Who's up for game three?  
I can barely see the bourbon drowning next to me and I just lost it all  
Well, there's a man sittin' next to me, red with smilin' eyes  
It's funny, I don't have no money tonight, yeah That was a crazy game of poker, I lost it all  
But someday, I'll be back again  
And I, never to fall, never to fall I say, now skitili dat, dat, dat, well, how 'bout that?  
I'm coming out the front, never coming out the back  
And I walked into the bar yesterday  
'Cause I had something to do, something to say  
And Johnny walked in right behind me and I didn't turn around Until I heard the sound of his feet falling on the  
ground  
I looked over my shoulder and I saw a clown  
And I said, whatcha doin' in the bar tonight? So, I said, Johnny whatcha doin' tonight?  
He looked at me with a face full of fright  
And I said, how about a revolution?  
And he said, right I say oh, you say ah, I say revolution and you say jah  
I say oh, you say ah, I say revolution and you say jah And I said, whatcha looking at?  
He hit me across the face with a bat  
I grabbed my .45 and I said, let's get out and go So he opened the door, and said "whatcha here for?"  
I said, I'm wanderin' down the road 44  
And I said, I've been walking for about a thousand years And my feet are growing tired, my eyes, a little wired  
Don't know what to do, unless I retire  
And he just said, let's play some crazy poker So, I said, Johnny whatcha doin' tonight?  
He looked at me with a face full of fright  
And I said, how about a revolution?  
And he said, right I say oh, you say ah, I say revolution and you say jah  
I say oh, you say ah, I say revolution and you say jah I said, that was the craziest game of poker that I ever saw  
I said, that was the craziest game of poker that I ever saw

But I'm not gonna quit and I'm not gonna stop  
I don't give a shit 'cause I got the draw Johnny just got two eyes, just like mine  
And I'm feelin' kind of funky, kinda fine  
And I drank a bottle of whiskey before I came  
Came to the bar to see what's the same  
I saw my man named Johnny sittin' across the table from me And to my left was a man, he had no chin  
I didn't really think about starting to sin  
The man to my right wasn't feeling kinda nice  
He looked kinda mad and I, I felt bad Because I took his money last night, it's kinda funny  
But now I'm just strugglin', I need a honey bunny  
I don't know what to say anymore  
So I'm just gonna go out I said, Johnny whatcha doin' tonight?  
He looked at me with a face full of fright  
And I said, how about a revolution?  
And he said, right I say oh, you say ah, I say revolution and you say jah  
I say oh, you say ah, I say revolution and you say jah  
I say oh, you say ah, I say revolution and you say jah  
I say oh, you say ah, I say revolution and you say jah
