Massage Song

Cuckoo Chaos

Please
Please
Please

Darling do you not know it's true?
I do believe
That you and I, Anna Lee, were meant to be

So most times I'm off too slow
Letting you know
I never do

And always a-patiently wait
Your weak kindleness
Oh I love you, yes I do, yes I do

So

Please
Please
Please

So most times I'm off â€˜till snow
Letting you know
That I love you

And always a-patiently wait
Your weak kindleness
Oh I love you, yes I do, yes I do

Please
Please
Please
