Love Association

I Hate Kate

When I say love
Tell me what comes to mind
Is it your love to watch me
Suffer all the time?
When I say regret
Tell me what comes to mind
Is it not scratching out my eyes
When you have time?
The time to lie to me, pleasure me
Then suffocate me in my sleep
Would you tell me all the things
You know I wanna hear?
And lead me to believe
When I say fall
Tell me what comes to mind
Is it October first
When we first had the time?
The time to kiss me, miss me
Fuck my friends, make me naive
Would you tell me all the things
You know I wanna hear?
And lead me to believe
I admit we're sick
And we breathe the chaotic eye
I find the beauty
In the comma psychotic
In this universe
It goes from bad to worse
Only if you let it
Only if you let it
In this universe
It goes from bad to worse
I won't let it
I won't let it
When I say complete
Tell me what comes to mind
Is it the kind of life
That I could never find?
Would you lie to me, pleasure me

Then suffocate me in my sleep?
Would you tell me all the things
You know I wanna hear?
And lead me to believe
I admit we're sick
And we breathe the chaotic eye
I find the beauty
In the comma psychotic
In this universe
It goes from bad to worse
Only if you let it
Only if you let it
In this universe
It goes from bad to worse
I won't let it
I won't let it
