Jimmy Eat World

Didn't mean to leave you hanging on  
I didn't mean to leave you all alone  
I didn't know what to say  
I didn't know what to say  
Didn't mean to leave you hanging on  
I didn't mean to leave you all alone  
I didn't know what to say  
Didn't know what to say  
Merry Christmas, baby  
(Merry Christmas, baby)  
Merry Christmas, baby  
(Merry Christmas, baby)  
Merry Christmas, baby  
(Merry Christmas, baby)  
Merry Christmas
