

Unluck

James Blake

Treated walls care for me
When crossings call out one of three
Treated walls care for me
When crossings call out one of three Only child, take good care
I wouldn't like you playing, falling there Treated walls care for me
When crossings call out one of three
Treated walls care for me
When crossings call out one of three Only child, take good care
I wouldn't like you playing, falling there
Only child, take good care
I wouldn't like you playing, falling there Only child, take good care
I wouldn't like you playing, falling there
Only child, take good care
I wouldn't like you playing, falling there Only child, take good care
I wouldn't like you playing, falling there
Only child, take good care
I wouldn't like you playing, falling there Only child, take good care
I wouldn't like you playing, falling there
Only child, take good care
I wouldn't like you playing, falling there Only child, take good care
I wouldn't like you playing, falling there
Only child, take good care
I wouldn't like you playing
