

Hollywood Blvd

Herbie Hancock

Ponies on another display
Faces painted over a time that no longer is
Riding on another good day
Look at the show
Look at 'em go
Revel in the lies
You're fading away

CHORUS
Knots and tangles
Dreams mangled
Knots and tangles
Dreams mangled

To be...

Walking alone on Hollywood Blvd. Isn't this a wonderful place?

Peace and quiet shattered by TVs and radios

Making yet another mistake

All that they know

No where to go

Revel in the lies

You're fading away

CHORUS
Knots and tangles
Dreams mangled
Knots and tangles
Dreams mangled

To be...

Walking alone on Hollywood Blvd. Knots and tangles

Dreams mangled

Knots and tangles

Dreams mangled

To be...

To be...

To be...

Walking alone on Hollywood Blvd. Hollywood Blvd., Hollywood Blvd., Hollywood Blvd.
