

Young Girl/I Really Like You (ft. Jay-Z)

Pharrell Williams

(You know)

(you know listen to me) Mama help I fell in love with a young girl (thats true, so true)
(you're the only girl I love to) My heart was soaked and I broken in a young world (so true, so true, listen) I
wasn't tryin to lead her on
See I didn't wanna be alone
But when she smiles she brought me home
So I brought her home,
Its not that the feelin of love is gone
Can't expect a kind little girl to be grown
I can't give a fuck what so and so says
Crushes hurt both ways What on earth, what I'm suppose to do
What on earth, what I'm suppose to do
What on earth, what I'm suppose to do
Somebody tell me what I'm suppose to do Mama help I fell in love with a young girl! What on earth, what I'm
suppose to do
Young girl, so in love with you
What on earth, what I'm suppose to do
What on earth, what I'm suppose to do
What on earth, what I'm suppose to do
Somebody tell me what I'm suppose to do My heart was soaked and I broken in a young world! What on earth,
what I'm suppose to do
Young
Young girl, so in love with you The single girls are out tonight
But you have one word, my heart, one life
And I'm not lookin around
So why you lookin down
(what you lookin down for?) I fucked up a long time ago
See I should have never let you know
See I couldnt give a fuck what tabloids say
(as the people magazine)
And crushes hurt both ways What on earth, what I'm suppose to do
What on earth, what I'm suppose to do
What on earth, what I'm suppose to do
Somebody tell me what I'm suppose to do Mama help I fell in love with a young girl! What on earth, what I'm
suppose to do
Young girl, so in love with you
What on earth, what I'm suppose to do
What on earth, what I'm suppose to do
What on earth, what I'm suppose to do

Somebody tell me what I'm suppose to do (HOV!)My heart was soaked and I broken in a young world!What on
 earth, what I'm suppose to do (HOV!)
 Young girl, so in love with you (HOV!)[Jay-Z]
 HOV got a young girl
 HOV got a young girl
 Still not quite 21
 So high strung
 Such a vibrant thing
 I introduce myself, hi miss thing
 You're 19?
 No, you're lighting in a bottle I give you a ring tomorrow
 The scene that follows
 Screens of horror
 Classic Steven King novel
 Mamma don't think you should take someone so advanced in romance
 You should just wait
 Pappa don't preach
 HOV don't bite
 Hopin throught it I might mo your life
 'cause ima show you right
 Proper etiquette how to hold your knife
 Keep it competetive with Oprah's ice
 Be like Janet, take control of your lifeWhat on earth, what I'm suppose to do
 (young girl)
 What on earth, what I'm suppose to do (young girl)
 What on earth, what I'm suppose to do
 (young girl)
 Somebody tell me what I'm suppose to do
 (young girl)Mama help I fell in love with a young girl!What on earth, what I'm suppose to do
 (to young, I'm never to young)
 Young girl, so in love with you
 ('cause I'm never to young)
 What on earth, what I'm suppose to do
 (to young, I'm never to young)
 What on earth, what I'm suppose to do
 ('cause I'm never to young)
 What on earth, what I'm suppose to do
 (to young, I'm never to young)
 Somebody tell me what I'm suppose to do
 ('cause I'm never to young!)My heart was soaked and I broken in a young world!What on earth, what I'm
 suppose to do
 Young girl, so in love with you(this is where the story begins baby)
