

# Lose This Feeling

**Terry McDermott**

Every time you walk away  
I wake up and you are gone again  
feelin' like it was yesterday  
Somethings heal and something never changeso tell me how to lose this feelin'  
i'm tired of screamin' into spaceI look at her smile and see your face  
love can be cruel and yet so beautiful,  
building us up and chipping away  
I'm only lookin' for answers.  
Can anybody out there hear me?  
so tell me how to lose this feelin'  
i'm tired of screamin' into space  
so tell me how to feel;  
the pain remains, your words aren't real  
so tell me how to lose this feelin'There's still a deep black anger inside of me  
It swallowed me whole when you slipped away  
so tell me how to lose this feelin'  
i'm tired of screamin' into space  
so tell me how to feel;  
the pain remains, your words aren't real  
so tell me how to lose this feelin'Lose this feelin'So Tell me how to lose this feelin'
