

# Me And Baby Brother

## War

Me and baby brother  
Used to run together  
Me and baby brother  
Used to run togetherWelcome one another  
Headed for the corner  
Welcome one another  
Headed for the cornerShiftin on his mind  
Is like drinking funky wine  
By the river  
Chippin' on his mind  
Is like drinking funky wine  
By the riverMe and baby brother  
Used to run together  
Me and baby brother  
Used to run togetherWelcome one another  
Headed for the corner  
Welcome one another  
Headed for the cornerI remember the day  
We used to fight together  
I remember the day, yeah  
We used to fight togetherMe and baby brother  
Used to run together  
Me and baby brother  
Used to run togetherHang on, baby brother, oh  
They call it law and order  
Hey, hey, heyCome back, baby brother  
Come back, baby brother  
Come back, baby brother  
Come back, baby brother  
Your my baby brother  
Your my baby brother  
Come back, baby brother  
Come back, baby brother  
Come back, baby brother  
Come back, baby brother  
Your my baby brother  
Your my baby brother  
Come back, baby brother  
Come back, baby brother
