ZAYN

This love is tainted
I need you and I hate it
You're caught between a dream and a movie scene
In a way, you know what I mean
When the darts just miss, I just can't resist it

Cause I'm a fool for you and the things you do
Cause I'm a fool for you and the things, the things you do
The things you do, the things you do

When you're looking like this
I just can't resist it
I know sometimes I hide it
But I can't this time cause it's gonna defeat me
But if you won't believe me, believe me

Cause I'm a fool for you and the things you do
Cause I'm a fool for you and the things, the things you do
The things you do, the things you do

I know, I know given a chance I'd do it again
Cause I can't help myself
Cause I can't stop myself
I just love being a fool for you

Cause I'm a fool for you and the things you do
Cause I'm a fool for you and the things, the things you do
The things you do, the things you do

This love is tainted
