Rich nigga shit

Rich nigga aye, aye
Rich nigga gang, gang
Rich niggaI get love from my block, you keep calling then you blocked
She keep callin' 'cause I'm hot, but I can't be with no thot
Ass fat I think she squat
Snapchat me that pussy bitch
Even though I know I'm hot, I get anyone I want
Rich nigga, rich, rich, rich, rich nigga yea baby

Come suck my dick, wipe off the lipstick

O.T. traphouse goin' crazy, zip zip
Nae Nae with the car, whip whip
Hit the block, doin' 80 get flipped
100 shots hit him with the choppa, whip whip
I ain't playin' pussy boy, I been real
Got a deal went and copped me a foreign
Two bitches 'cause one bitch boring
Look at my karats and my diamonds bitches glowin'
Got the dopehouse in the summer like it's snowin'I get love from my block, you keep calling then you blocked
She keep callin' 'cause I'm hot, but I can't be with no thot
Ass fat I think she squat
Snapchat me that pussy bitch
Even though I know I'm hot, I get anyone I want
Rich nigga, rich nigga yea baby
Rich nigga, rich nigga yea baby
Rich nigga, rich nigga yea baby
Rich nigga, I'mma rich nigga (Gang gang)I spent 30 on my watch, I spent 10 on my charm
If you touch it, it go off, like it came with a alarm
Boy you pussy who you huh?
Cali plug got the weed, like investin' to a farm
100 pounds it cost an arm
And I'll be super real, don't catch no Ruger shell
I don't who'll tell
See DeJ give me chills, Chanel Chanel

The way she crackin' in them heels
I swear I swear, I'mma keep it real
I'mma xanax type of animal, lean drinking nigga
I can cook up in the trap, like a granny in the kitchen
You a baby, I'm wapping bricks, I'm wapping babies
Yea babyI get love from my block, you keep calling then you blocked
She keep callin' 'cause I'm hot, but I can't be with no thot
Ass fat I think she squat
Snapchat me that pussy bitch
Even though I know I'm hot, I get anyone I want
Rich nigga, rich nigga yea baby
Rich nigga, rich nigga yea baby
Rich nigga, rich nigga yea baby
Rich nigga, I'mma rich nigga (Gang gang)
