

Watching You

Robert Plant

Oh, the sleep by and dry
Oh, mm, as the guilty are torn
Come over the mountains come over the sea
Mm, should my darkness prevail
Ooh, does your memory fail
Oh love on the wing, carry my prayer
Cherish this moment in times of despair
Over the mountains, over the sea
Angel of love, come back home to me
Mm, are your kisses so warm
Can you, can you carry my storm
Oh Lord, just one move and your gone
Love on the wing, carry my prayer
Cherish this moment in times of despair
Over the mountains, over the sea
Angel of love, please come home to me
Come back home, come back home, come back home
Mm, I'm so guilty, so guilty, I'm so guilty
Love on the wing, carry my prayer
Cherish this moment in times of despair
Over the mountains, over the sea
Angel of love, bring it back home to me
Come back home to me
Oh, see my disgrace I touch you right now
The beautiful embrace
See my disgrace I touch you right now
I'm tired of watching you
Oh, I'm tired of watching you
