

Sometimes You Just Can't Win

George Jones

Just when the sunshines the brightest
And the world looks alright, again
Then the clouds fill the sky's
You can't believe your eyes

Sometimes you just can't win. My love never meant much to you dear

Or yo you I was always a friend
Oh, why did I call,
You have no heart at all

Sometimes you just can't win.--- Instrumental ---I can't live like this any longer

Not knowing just where I stand
I know I should't care
But sweetheart it don't seem fair
Sometimes you just can't win
And then when the sunshines the brightest
And the world looks alright, again
The clouds fill the sky's
You can't believe your eyes
Sometimes you just can't win...
