Red Rose

Swans

Put your hand on my shoulder
Turn me around
I'm helpless, I'm spinning
Turn me around
Turn me aroundI'll open myself and I'll never close
The red rose in my hand is my gift to you
Turn me around
Turn me aroundPut your hand on my shoulder and turn me around
Over and over, turn me around
Over and over, turn me around
Turn me around
Turn me around
Turn me around
Never stop
