Ho oh Ho oh Ho oh ho oh ho oh ho oh ho oh, wooow We're on the one, and we're having fun
And everybody's doing there part,
Can you dig it, we can show you how,
The gangs all here we're ready to start,

And any other thing you'd like to do, I like the way you make me feel, what every you do,
Make sure the feelings real, yah yah, Say what, say what, say what, say what, yah yah
