

# My Valuable Hunting Knife

## Motion City Soundtrack

I want to start a new life  
With my valuable hunting knife  
She will shine like a new girl  
And I want to shout out our love to the worldHey!  
Everything I think about, I think about  
And everything I talk about, I talk about with you  
But you don't know what I go through  
You don't know, noDays, they will turn into nights  
With my valuable hunting knife  
It will not rust through the tears  
And it will not lose its appeal over yearsCome on!  
Everything I think about, I think about  
And everything I talk about, I talk about with you  
But you don't know what I go through  
No, you don't know, noNow I'll never know  
Now I'll never know  
Now I'll never knowAnd I will run and I will  
And I will hide and I will  
And I will run and I will  
And I will hideNow I'll never know  
Now I'll never know
