

# When You Come Back Down

## Nickel Creek

You got to leave me now, you got to go alone  
You got to chase a dream, one that's all your own  
Before it slips away  
When you're flyin' high, take my heart along  
I'll be the harmony to every lonely song  
That you learn to play When you're soarin' through the air  
I'll be your solid ground  
Take every chance you dare  
I'll still be there  
When you come back down  
When you come back down I'll keep lookin' up, waitin' your return  
My greatest fear will be that you will crash and burn  
And I won't feel your fire  
I'll be the other hand that always holds the line  
Connectin' in between your sweet heart and mine  
I'm strung out on that wire And I'll be on the other end, to hear you when you call  
Angel, you were born to fly, and if you get too high  
I'll catch you when you fall  
I'll catch you when you fall Your memory's the sunshine every new day brings  
I know the sky is calling  
Angel, let me help you with your wings When you're soarin' through the air  
I'll be your solid ground  
Take every chance you dare I'll still be there  
When you come back down  
Take every chance you dare,  
I'll still be there  
When you come back down  
When you come back down
