

# Magic Fields

## Easily Embarrassed

i've met the strangers at a place  
more than a million miles away  
they were so nice, so full of grace  
i know they came from far away  
now i'm walking on magic fields  
i see the world is the only place to be  
    they took me to a foreign place  
and then they thought me to be strong  
    they told me not to go away  
    even if anything goes wrong  
i love the world i wouldn't leave  
    all the places we were born  
i wait at midnight to receive  
    a final sign of their return
