

What Do You Want

[Joan Armatrading](#)

What do you want, what do you want?
You're messing up everybody else by being so cool
What is it you need, what is it?
You confuse a lot of people's minds by being undecided
Said, you love me, once, the way you made me feel
Now why does it hurt so bad?
Oh, baby, please, don't go, I'm begging you to stay
You know that breaking up is so sad
Where do you go, who do you know?
There's a face I can't recall and I'm wary of most strangers
Am I the fool, have you blinded me?
You're breaking up a heart so bad but the bruise draws out real slow
Said, you love me, once, the way you made
me feel
Now why does it hurt so bad?
Oh, baby, please, don't go, I'm begging you to stay
You know that breaking up is so sad
Oh, baby, please, don't go
