

Don't Let Who You Are Keep You Away

Kenny Bishop

She met a man who loved her as she was
They met while she was going to a well.
With all her past pushing back, He loved her anyway.
Don't let who you are keep you away.

DON'T LET WHO YOU ARE KEEP YOU AWAY
Don't let who you think you are think you can't be saved.
Who is the man or woman who has traveled beyond grace
Don't let who you are keep you away.

He wasn't happy with the God he'd known
The rules left no provision for his loss
So in the darkness of the night, his doubts were met with grace.
Don't let who you are keep you away

Don't let who you are keep you away
Don't let who you think you are think you can't be saved.
Who is the man or woman who has traveled beyond grace
Don't let who you are keep you away

This is for us:
You can't get past the things you've said and done
You face the stark reminders every day
When others say you've gone too far, they say you can't be saved
He says "don't let who you are keep you away."

Would He have offered if He didn't care.
He wants to love you, He wants to hold you close to Him.
So, don't let who you are keep you away
Don't let who you think you are think you can't be saved.
Who is the man or woman who has traveled beyond grace
Don't let who you are keep you away

Who is the man or woman who has traveled beyond grace
Don't let who you are keep you away
