

# Fix You Up (demo)

## Tegan and Sara

What do I, what do I, what do I need to do  
To see myself in a better mood?  
What do you, what do you, what do you need to do  
To get yourself in a better mood? Well there's not a lot for you to give  
If you're giving in  
And there's not a lot for you to feel  
If you're not feeling it  
You bring it up, and bring it in  
And we'll get you fixed up in no time And what I wanted most, what I wanted most  
What I wanted most, was to get myself figured out  
And what I figured out, what I figured out, what I figured out  
Was that I need more time to figure you out This love is all I have to give  
Well there's not a lot for you to give  
If you're giving in  
And there's not a lot for you to feel  
If you're not feeling it  
You bring it up, and bring it in, and bring it in  
And we'll get you fixed up in no  
We'll get you fixed up in no time
