

# PERFECT FOR ME

## MikeStudOfficial

What it do, Baby blue  
Who am I, Who are you  
Do you think  
That we could ever be  
One instead of two  
What it is  
About you is  
I love everything your kiss  
Your lips your eyes your nose  
You're perfect  
You're perfect for me me me me me  
You're perfect for me me me meeee me  
You're perfect for me  
I know I'll never get you girl  
If I let you go and forget you girl  
So I call and I text you girl  
To let you know  
I want next to you girl  
We've been playin musical chairs  
For years  
Walkin up and down the stairs  
Smile as we pass every once in a while  
Used to buy a little grass  
From your brother as a child  
Now I'm grown up  
Maybe not but I know enough  
And if i don't  
I aint gonna show her love  
Be strong  
Take your broken heart  
Sew it up  
No stairs  
This elevator's goin up  
I'll be your paradise  
Million dolla gamble  
The odds are against us  
But I've got it handled  
Cause  
I'm talkin in the mirror today

Cause when i see you in the street  
I never say  
What it do, Baby blue  
Who am I, Who are you  
Do you think  
That we could ever be  
One instead of two  
What it is  
About you is  
I love everything your kiss  
Your lips your eyes your nose  
You're perfect  
You're perfect for me  
I know you'll never get me girl  
if i don't let you know  
who i am pretty girl  
but in my head  
i see you dancin and twirlin  
ill be your beach boy you can be my city girl  
Love and happiness  
But in nappiness  
Peanut butter skin  
salt water taffy lips  
Cu-pid said  
love aint an accident  
ran outta arrows  
so he hit me with a javelin  
Travelin  
Willberry mixed with the ramblin

Man Man i wanna feel more like a jam band  
you my good time girl whats happenin  
Tv on the radio's gotta keep cracklin  
I ain't an actor  
You ain't an actress  
I want a real love  
No cameras No videos  
No cameos No champagne (No champagne?)  
Damn...  
I'm talkin to myself again  
Cause when i saw you on the street  
What it do, Baby do  
Who am I, Who are you  
Do you think  
That we could ever be

One instead of two  
What it is  
About you is  
I love everything your kiss  
Your lips your eyes your nose  
You're perfect  
You're perfect for me me me me  
You're perfect for me me me meeee me  
You're perfect for me me me me  
You're perfect for me me me meeee me  
You're perfect for me  
It hurts when I bite my tongue  
With my teeth now it's three years later  
And I still cant speak  
I got  
every sneaker  
But I still cant sneak  
A peek so I'm still lookin for a girl dats cheap  
I'm a freak  
Feelin like a hunchback  
In the corner  
With the dunce cap  
Put a hole in my heart  
With a thumbtack  
If you loved me  
I never woulda done that  
What it do, Baby blue  
Who am I, Who are you  
Do you think  
That we could ever be  
One instead of two  
What it is  
About you is  
I love everything your kiss  
Your lips your eyes your nose  
You're perfect (You're perfect)  
What it do, Baby blue  
Who am I, Who are you  
Do you think  
That we could ever be  
One instead of two  
What it is  
About you is  
I love everything your kiss  
Your lips your eyes your nose

You're perfect  
You're perfect for me me me me me  
You're perfect for me me me meeee me  
You're perfect for me me me me me  
You're perfect for me me me meeee me  
You're perfect for me
