

All For One

Blackmore's Night

We'll drink together
And if we drink we'll drink together, not alone
We'll drink together
And when we drink we'll drink together, not alone
All for one and one for all We'll drink together
And when we drink we'll drink together, not alone
All for one and one for all
We'll drink together
And when we drink we'll drink together, not alone We'll sing together
And when we sing we'll sing together, not alone
We'll sing together
And when we sing we'll sing together, not alone
All for one and one for all We'll sing together
And when we sing we'll sing together, not alone
All for one and one for all
We'll sing together
And when we sing we'll sing together, not alone We'll fight together
And when we fight we'll fight together, not alone
We'll fight together
And when we fight we'll fight together, not alone
All for one and one for all We'll fight together
And when we fight we'll fight together, not alone
All for one and one for all
We'll fight together
And when we fight we'll fight together, not alone We'll fall together
And if we fall we'll fall together, not alone
We'll fall together
And if we fall we'll fall together, not alone
All for one and one for all We'll fall together
And if we fall we'll fall together, not alone
All for one and one for all
We'll fall together
And if we fall we'll fall together, not alone
