

You've Changed

[Eva Cassidy](#)

You've changed, that sparkle in your eye is gone
Your smile is just a careless yawn
It's all over now you've changed
You've changed, your kisses now are so blase You're bored with me in every way
Your breaking my heart, you've changed
You've forgotten the words I love you
Each memory that we share
You ignore every star above you
I can't realize that you ever cared You've changed
You're not the angel I once knew
No need to tell me that we're through It's all over now, you've changed
You've forgotten the words I love you
Each memory that we share
You ignore every star above you
I can't realize that you ever cared
