

# What's Your Name

## Lynyrd Skynyrd

Well, its eight o'clock in Boise, Idaho  
I'll find my limo driver  
Mister, take us to the show  
I done made some plans for later on tonight  
I'll find a little queen  
And I know I can treat her right.[Chorus:]  
What's your name, little girl?  
What's your name?  
Shootin' you straight, little girl?  
Won't you do the same?Back at the hotel  
Lord we got such a mess  
It seems that one of the crew  
Had a go with one of the guests, oh yes  
Well, the police said we can't drink in the bar  
What a shame  
Won't you come upstairs girl  
And have a drink of champagneWhat's your name, little girl?  
What's your name?  
Shootin' you straight, little girl?  
For there ain't no shame.[Chorus x2]Nine o'clock the next day  
And I'm ready to go  
I got six hundred miles to ride  
To do one more show, oh no  
Can I get you a taxi home  
It sure was grand  
When I come back here next year  
I want to see you againWhat was your name, little girl?  
What's your name?  
Shootin' you straight, little girl?  
Well there ain't no shame  
What was your name, little girl?  
What's your name?  
Shootin' you straight, little girl?  
Won't you do the same?
