Mean Business

Whitesnake

You're taking a walk on the wild side
If you're gonna take a chance with me
I'm gonna make you take a look on the inside
And you might not like what you see
So don't you knock on my door
If you don't want an answer
Gimme a beat
If you don't want a dancer
I've got my love gun loaded
I've got you in my sight
I never take no for an answer
So you'd better say yes tonight
I told you the score
Right from the start
You'll never get to heaven
If you break my heart
So if you don't mean business
Knock on someone else's door
'Cos it's a mean, mean business
Staying alive if you fool with me
You say you want my money
I say you've got no sense
If you just wanna bleed me dry
Stay on the side of the fence

No mercy you can see
'Cos seven to eleven made a fool out of me
So if you don't mean business
Knock on someone else's door
'Cos it's a mean, mean business
Staying alive if you fool with me
You're taking a walk on the wild side
If you're gonna take a chance with me
I'm gonna make you take a look on the inside
And you might not like what you see
So don't you knock on my door
If you don't want an answer
Gimme a beat
If you don't want a dancer

So if you don't mean business
Knock on someone else's door
'Cos it's a mean, mean business
Staying alive if you fool with me
So if you don't mean business
Knock on someone else's door
'Cos it's a mean, mean business
Staying alive if you fool with me
