

# Don't Let Go (Love)

## En Vogue

What's it gonna be 'cuz I can't pretend  
Don't you want to be more than friends  
Hold me tight and don't let go

Don't let go  
You have the right to lose control  
Don't let go

I often tell myself that we could be more than just friends  
I know you think that if we move too soon it would all end  
I live in misery when you're not around  
And I won't be satisfied till we're taking those vows

There'll be some love makin', heart breakin', soul shakin' love  
Love makin', heart breakin', soul shakin'...

I often fantasize the stars above are watching you,  
They know my heart, it speaks to yours like only lovers do  
If I could wear your clothes I'd pretend I was you and lose control

Runnin in and outta my life  
Has got me so confused  
You gotta make the sacrifice  
Somebody's gotta choose  
We can make it if we try  
For the sake of you and I  
Together we can make it right

(You've got the right, you've got the right, I said you've got the  
right to lose control yeah)

Don't let go  
Don't let go
