## Dusty McFly

Keep all the bad bitches when I come to the city. '  
Cuz all these girls in here wanna leave with me.  
Turn the bedroom to the V.

I.

P.

Imma knock it out just like Ali.  
Keep all the bad bitches when I come to the city. '  
Cuz all these girls in here wanna leave with me.

Imma hit that and kick her ass out in the morning.

Look, Look.

She know a young nigga move that dough.

Got that bag and I blow that choke.

Got a nigga dick up, the way that ass sit up.

Pop so many bottles I'on know where we gonna end up.

Now it started in the whip, barely made it to the house.

Couldn't make it to the bed so we did it on the couch.
