Bitch You ain't even gay.[Verse 1:]

She got a Katy Perry ringtone, plays it like a theme song. Kissed a girl and liked it, now she's swearin' off the ding dong. Back and forth like ping pong, she really strictly dicky, now Madonna scorin' Britney now the bitch is strictly licky. Suck a dick, suck a titty, she don't really give a fuck, and rainbow or her preice mean she always gettin' lucky. Had her first fish platter on her girlfriend's futon, hidden valley, tossin' salad, lickin' on a crouton. No shame in this fake bitch game, swervin' in and out of traffic, never stayin' in her own lane. She want a piece of cake and yeah she wanna eat it too, pay her some attention and the bitch will go down eatin' you.[Chorus:]

Be actin' Lezbehonest. No more trips for you down south.

Ding-a-ling you know you want it, take the pussy out yo mouth.

You love the peter! Bitch don't lie. You love the cock!

Don't even try. No more pooter! No more coochie! VaJayJay time to say good bye.[Verse 2:]

Girls gone by, Spring break, college road trip in some wet t-shirts, wrestlin' in cool whip. Flash a nipple, slap a pussy for attention. Just turned eighteen, now she on a fuckin' mission. Got a make her daddy listen, maybe show a little anger four shots of jagermister, tongue kiss a perfect stranger. Three, Four fingers deep in some bleach blonde bimbo, a double headed dildo beatin' like it's Kimbo. Put in on the YouTube. The pictures on the Myspace, just so I can peep it, wish the bitch would sit on my face. Two straight broads tongue kissin' by the swimmin' pool, fake dyke bitches eatin' coochie 'cause it's cool.[Chorus:]

Be actin' Lezbehonest.

No more trips for you down south.

Ding-a-ling you know you want it, take the pussy out yo mouth. Bitch you know you want it, don't say that you don't want it.

Bitch you know you want it, don't say that you don't want it.

Bitch you know you want it, don't say that you don't want it.

Bitch you know you want it.

Bitch you know you want it. Never gonna beat her, now you're lickin' on the cooter.

One day she was your friend and the next she wasn't screwin'

Now I'm massed out with no luck, can't even get my dick sucked.

Jerkin' off in the corner watchin' her and you fuck.[Verse 3:]

Bitch please, you ain't right, what you really tryin' to prove carpet muchin', donkey punchin' cause you claim you're so confused. Yeah I push my dick on hard to see
