No Apology

Believer

[K. Bachman / J. Daub / J. Winters / D. Mann / D. Baddorf]No more will I regress backward
From what which I believe
I owe no man an explanation
Expect no apologyLogic defends age old prophecies
Christ's life, death and resurrection
Proof of absolute deity
Expect no apologyNot one regret
ImpenitentNo more will I regress backward
From that which I believe
I owe no man an explanation
Expect no apologyNot one regret
Impenitent
