

Supersonic (Pete Heller - The Love Mix)

Jamiroquai

Supersonic, supersonic, supersonic
Supersonic, supersonic, supersonic
Supersonic, supersonic, supersonic In the whites of his eyes
There's a supersonic vibe
You can tell by the tears
He's a warrior who cries
He's supersonic
I think he's supersonic Supersonic
Supersonic In the whites of his eyes
There's a supersonic vibe
You can tell by the tears
He's a warrior who cries
He's supersonic
I think he's supersonic Supersonic
Supersonic In the whites of his eyes
There's a supersonic vibe
You can tell by the tears
He's a warrior who cries
He's supersonic
I think he's supersonic
I think he's supersonic
I think he's supersonic
I think he's supersonic
I think he's supersonic Supersonic
Supersonic
