

# i could change ur life

[gnash](#)

You're my favorite distraction  
I stare at you while you're dancing  
How 'bout taking a chance and  
Leaving with me for romancing? I could change your life  
Fuck it, just might  
Champagne sippin' and we goin' all night  
I could change your life  
I'ma do you right  
Tell me that you with it and we gon' tonight  
I could change your life  
Yeah, life, yeah, life, yeah, life, yeah, life, yeah, life, yeah, life  
I could change your life  
Yeah, life, yeah, life, yeah, life, yeah, life, yeah, life, yeah, life  
I could change your life  
So tell me where you wanna go  
And leave your daddy home, he ain't never gotta know  
Red or white, Paris lights, we could take a flight tonight  
Double C, double G, double trouble duffel, Louis V  
I'm so addicted to flexin', I don't believe in expensive  
Take yo' ass out of that jet and G wagon, Range Rover, Tesla  
You could pick the color, leave the rest to me  
Never leave you stressed, that's the recipe  
Centrepiece, private beach, wine and weed, for a week  
I'm with you, you with me, all I want, all you need  
Yeah, I'mma come complete you and never, ever mistreat you  
I won't ever leave you but I will always believe you'll be your one if you want me to  
I could be everything to you  
I could change your life  
Fuck it, just might  
Champagne sippin' and we goin' all night  
I could change your life  
I'ma do you right  
Tell me that you with it and we gon' tonight  
I could change your life  
Yeah, life, yeah, life, yeah, life, yeah, life, yeah, life, yeah, life  
I could change your life  
Yeah, life, yeah, life, yeah, life, yeah, life, yeah, life, yeah, life  
I could change your life  
PJs under PJ, Gucci store every day  
Run Rodeo relay, huh

You're crazy like your shoe game  
Shoppin' like a d bay, every day your b day, huh  
Get you livin' how I'm livin', that's a given  
30 under 30, swear I'm Curry with the vision  
Make a killin' off a feelin' now I'm feelin' like a trillion  
Gotta half a billion listens, all I wanna do is listen  
'Cause my favorite part of you is that it isn't 'bout the shoes  
Or the house or the cars or the stars or the loot  
It's the way you make me feel, that's how I know it's real  
You turn my blues to teal, you change my life, you know the deal, yeah I'll be your one if you want me to  
I can be everything to you I could change your life  
Fuck it, just might  
Champagne sippin' and we goin' all night  
I could change your life  
I'ma do you right  
Tell me that you with it and we gon' tonight  
I could change your life  
Yeah, life, yeah, life, yeah, life, yeah, life, yeah, life, yeah, life  
I could change your life  
Yeah, life, yeah, life, yeah, life, yeah, life, yeah, life, yeah, life  
I could change your life  
Yeah, life, yeah, life, yeah, life, yeah, life, yeah, life, yeah, life  
I could change your life  
Yeah, life, yeah, life, yeah, life, yeah, life, yeah, life, yeah, life  
I could change your life
