

Mutual Feeling

Beverley Knight

You're the one for me, I'm the one for you
It's a mutual feeling, feeling is mutual
You're the one for me, I'm the one for you
It's a mutual feeling
You're the one for me, I'm the one for you
It's a mutual feeling, feeling is mutual
You're the one for me, I'm the one for you
It's a mutual feeling, feeling is mutual
I knew the feeling was mutual
When I first laid my eyes on you
There was nothing anyone could do to change my mind
I could tell we would do just fine
As long as you love me truthfully
Nothing can divide us, no one in between us
The way I feel is so strong, baby
You're the one I really need
Make your loving real
You're the one for me, I'm the one for you
It's a mutual feeling, feeling is mutual
You're the one for me, I'm the one for you
It's a mutual feeling, feeling is mutual

Together love can be beautiful
I know you're feeling the same way too
There's only few that can understand what we have
Except that they'll never catch the vibe
As long as you can see, ain't no time for 3
Nothing can divide us, no one in between us
'Coz when you're down in my groove, baby
I'm the only one you need, it's the place to be
You're the one for me, I'm the one for you
It's a mutual feeling, feeling is mutual
You're the one for me, I'm the one for you
It's a mutual feeling
You're the one for me, I'm the one for you
It's a mutual feeling, feeling is mutual
You're the one for me, I'm the one for you
It's a mutual feeling, feeling is mutual
You're the one for me, I'm the one for you

It's a mutual feeling, feeling is mutual
You're the one for me, I'm the one for you
It's a mutual feeling, feeling is mutual
You're the one for me, I'm the one for you
