

# Trapped Inside

## No Fun At All

I know that things are going wrong for me  
I never really had a chance  
I know that things are going down  
The drain the rapid lane  
And I could need a helping hand In my mind all the time  
Endless iteration  
In my mind all the time  
Endless irritation Endless aggravation  
Something is making me  
So lonely and I got to know  
Got to know, got to know what it is I've got to find a way to get a cure  
And try to get some peace of mind  
I've got to find a way to ease the  
Pain inside my brain  
And I could need a helping hand I know I'm not supposed to see  
I know I'm not supposed to hear  
I know I'm not supposed to say  
I know I'm not supposed I'm ready? I'm not?  
It doesn't matter what I think  
It's always there
