This for them haters gone disrespectful when I see ya

I'm hoppin' out of a black two seata wit a heata and her nicknames Quetta

I got her in the hood yeah I talk a lot of shit but she back me up good

For one second don't forget trick I run this Memphis Tennessee we be on some Top Gun shit

Fly over your house M-16 and drop a bomb on it

We don't give a fuck we tryin to take out all your shit

And we some Titans Grizzlies and Tigers that Volunteer

To kill ya clean ya in a river throw you on a barbeque grill

So who da fuck you think your fuckin wit we be on some other shit

The stunna out the gutta started the south but watch the fuckin shit[Chorus 4x][Verse 2]

I be on some dro and shit you be on some blow and shit

I'm rockin' shows around the globe and your still on some local shit

I can say sumimason kunichiwa can I get some yen?

That's Japanese for 'Excuse me hello can I get some money man?'

Can you do that? I don't think so, so go back to where you from hoe

I get dollars, Euros, Pecos and they come in by the truck load

I make CP you can't see me on these beats or in these streets

Cuz I toke heat and beef is beef and you will leak from head to feet

It's obvious that I'm harder than a majority of your favorite rappers

An underground phenomenal sensation and your papers what I'm after

So drop it off, drop it off bitch I got it sawed-off

I run wit a click so quick before you even try to think your ass gets hauled off[Chorus 4x]
