Stronger

Kanye West

Work it, make it, do it
Make us harder, better, faster, stronger

[CHORUS]
(Work it harder, make it better) N-na-now th-that that don't kill me
(Do it faster, make us stronger) Can only make me stronger
(More than ever, Hour after hour) I need you to hurry up now
(Work is never over) Cause I can't wait much longer
(Work it harder, make it better) I know I got to be right now
(Do it faster, make us stronger) Cause I can't get much wronger
(More than ever, hour after hour) Man, I've been waiting all night now
That's how long I've been on ya

Work it harder
Make it better
Do it faster
Make us stronger (I need you right now)
More than ever
Hour after hour
I need you right now

Let's get lost tonight, you could be my black Kate Moss tonight
Play secretary, I'm the boss tonight
You don't give a fuck what they all say, right?
Awesome the Christian in Christian Dior
Danm, they don't make 'em like this anymore
I ask cause I'm not sure, do anybody make real shit anymore?
Bow in presence of greatness cause right now that has forsaken us
You should be honored by my lateness
That I'd even show up to this fake shit
So go ahead, go nuts, go ape shit
Specially on my best stand on my BAPE shit
Act like you can't tell who made this
New gospel homey take six, and take this haters

[CHORUS]

Me likey,
I don't know if you got a man or not

If you made plans or not
If God put me in your plans or not
I'm tripping, this drink got me saying a lot
But I know that God put you in front of me
So how the hell could you front on me?
There's a thousand "yous" there's only one of me
I'm tripping, I'm caught up in the moment, right?
This is Louis Vuitton dime night
So we gon' do everything that Kan like
Heard they'd do anything for a Klondike
I'd do anything for a blond dike
And she'll do anything for the limelight
And we'll do anything when the time's right
Uh, baby you're making it
Harder, better, faster, stronger

[CHORUS]

(Work it harder, make it better) You know how long I've been on ya
(Do it faster, make us stronger) Since Prince was on Appolonia
(More than ever, Hour after hour) Since O.J. has isotoners
Don't act like I never told ya

Work it, work is never over
Work it, work is never over Don't act like I (never) told ya
Harder, work is never over Uh
Better, work is never over Don't act like I (never) told ya
Work it, work is never over Don't act like I (never) told ya
Work it, work is never over Don't act like I (never) told ya
Harder, work is never over Uh,baby you're making it
Harder, better, faster, stronger

[CHORUS]

(Work it harder, make it better) You know how long I've been on ya
(Do it faster, make us stronger) Since Prince was on Appolonia
(More than ever, Hour after hour) Since O.J. has isotoners
Don't act like I never told ya

(Work it harder, make it better) You know how long I've been on ya
(Do it faster, make us stronger) Since Prince was on Appolonia
(More than ever, Hour after hour) Since O.J. has isotoners
Don't act like I never told ya
