## **Small Town Boy**

## **Josh Kelley**

Everyone wants to be a small town boy With big town dreams in a small town world So I express your fears to a fresh pair of ears And I'll tell you once, then make you steer'Cause I already know 'Cause I already knowImage is dead for the price of your sight So they'll say, then change your mind Express your tears to a new found fear And trust the one with the following cheer'Cause I already know 'Cause I already know Let's get out of here Let's get out of hereSo this is your chance, don't mess it up 'Cause everybody's watching You know, everybody's watching you So this is your dance, make of it what you will 'Cause you know everybody's watching youLet's get out of here Let's get out of here Let's get out of here Let's get out of here
