War

Rotten Sound

Scorched by wrath
Razed through divinity
Blood was to be spilled
Guts were to be thrown
Blessed, sacred wars
Insanity through gods
Alone in the total darkness
You will wander in the army of fools
Divinity
Drove you insane
Subjective truth
Burned your mind
Peaceful villages wish they were not born
Under the blade of the privileged swords
The ruthless masses
Glow through the faith and glory
Their fearless loath
Will begin to grow an oath
Blessed by the wise-men
Summoning their powers
Soldiers of fortune show how they slayed
Divinity
Drove to berserk
Imbecile sheep
Burned the earth
Blessed, sacred wars
Insanity through gods
Alone in the total darkness
You will wander in the army of fools
