Ausgebombt (deutscher Version mit Bela B.)

Sodom

We've drudged many decades to live free from care
The war began it was enough to drive us to despair
A time when bread was more worth than pure gold
We missed the warmness saved us from the wintry coldNo trade with death
No trade with arms
Dispense the war
Learn from the pastAusgebombt
Ausgebombt
Ausgebombt
AusgebombtSlogans to hold out till end dreams ramble to the sky
Evacuated far away we left everything behind
Fifty hundredweight bombs dashed us to the ground
When military air raids stormed the land abound
No trade with death
No trade with arms
Dispense the war
Learn from the pastAusgebombt

Political tyranny exercised by morbid despots
Bombardment of fire wasn't win but loss
Corpses buried under ruins and debris
No more war the solution all the nation needNo trade with death
No trade with arms
Dispense the war
