

Runaway Lover

Madonna

You lost your reputation on a woman
You didn't understand or care to know
You get your education from your lovers
But now there's just no place for you to go It doesn't pay
To be a runaway lover
It doesn't pay
To give away what you lack
You'll never get your money back You're set adrift with no direction
Just like a ship that's lost at sea
You don't care where you drop your anchor
Make sure it doesn't land on me It doesn't pay
To be a runaway lover
It doesn't pay
To give away what you lack
You'll never get your money back It doesn't pay
To be a runaway lover
It doesn't pay (It doesn't pay)
To give away what you lack
You'll never get your money back (To give away, to give away) Walking around on a cloud
'Cause every girl you meet just trips on you
Saying your name out loud
I guess you met your match
Now what will you do Uh uh no away It doesn't pay
To be a runaway lover
It doesn't pay
To give away what you lack
You'll never get your money back It doesn't pay
To be a runaway lover
It doesn't pay
To give away what you lack
You'll never get your money back Walking around on a cloud
'Cause every girl you meet just trips on you
Saying your name out loud
I guess you met your match
Now what will you do It doesn't pay
It doesn't pay
It doesn't pay
To give your heart away
To a runaway lover Uh uh, no way

Uh uh, no way
Uh uh, no way
