Follow The Water

Architects

Can I blame it on you?
I just cant win, I just cant win.Two years spent wondering through the loneliest of minds, cant seem to find a good excuse this time, for me and for this to fall apart shall I blame it on myself,or this routine that Ive been stuck in?Ive lost count of how many times Ive tried to get out of this routine But its holding so fucking tight.I just cant handle another day of this I just cant win, I just cant win.Get me out alive!Oh God, I mean it These are violent days
for you and me I just cant handle another day of this routine.I just cant win, I just cant win.Get me out alive!Two years spent wondering through the loneliest of minds Ive found my excuse this time Your words are wearing me
down A constant frown upon my back.Ive lost count of how many times Ive tried to get out of this routine But its holding so fucking tight.Ive lost count of how many times Ive tried to get out of this routine But its holding so fucking tight.Follow the water
Drain the lake and bring it back to me!
