

# Do It (feat. Mayer Hawthorne)

Pitbull

Ooh I got a new one for ya  
I like the way that sounds (Reportin' live from Spain)  
I'm `bout to do it for ya  
I like to break it down (Tuxedo)  
This joint has got me open  
Uh that's my favorite song (Mr. Worldwide)  
I put my thing in motion (I don't know how I do what I do)  
I do it all night long (I just do it) You know the resume  
Call it what you want, boy as it may  
Not from the bay but hella paid  
Every day above ground is a good day so I celebrate  
Mami got that bubble-yum booty  
I wanna run through it like Rudy  
She said "do you own Nike?"  
I said "not yet", she said "then just do it"  
Fresh at the Grammy's in a tuxedo  
Play about 18 holes on any given day  
Tiger Woods steelo, yea I get around but only on the D low  
Now I'm changing the world  
Just to think I used to dream about kilos  
Bank account used to be negative  
Now it's like that thing on reload, do it I got a new one for ya  
I like the way that sounds  
I'm `bout to do it for ya  
I like to break it down  
This joint has got me open  
Ooh that's my favorite song  
I put my thing in motion  
I do it all night long Do it, do it, do it  
Oh, here I go again  
(Gotta hit `em with that) Do it  
Do it  
Do it  
(Hit 'em, hit 'em with that) Do it  
(Yea, go ahead baby and) Do it  
(Go ahead baby and) Do it  
(Go ahead baby and) Do it  
(That's right) They want just never heard before,  
Never seen before, never worn before

But if they only knew everything's been done before  
I'm half of an outcast like Love Below  
Instagram, now they take pics  
When I was growing up Instagram was a nick  
Man what a trippin'  
Bogota, Medellin, Colombia  
Man what a trip  
If you been there  
Then you know what I'm talkin' bout  
I'm runnin' through the world, y'all walk it out  
It's a marathon, not a sprint  
Long term, that's how I think  
My life could've turned out ugly  
I'm talkin' ugly, generino  
But I turned it all around and hit the jackpot  
De Niro, Casino, dale woo! I got a new one for ya  
I like the way that sounds  
I'm `bout to do it for ya  
I like to break it down  
This joint has got me open  
Ooh that's my favorite song  
I put my thing in motion  
I do it all night long Do it, do it, do it  
Oh, here I go again  
(Gotta hit `em with that) Do it  
Do it  
Do it  
(Hit 'em, hit 'em with that) Do it  
(Yea, go ahead baby and) Do it  
(Go ahead baby and) Do it  
(Go ahead baby and) Do it  
(That's right, take it to the bridge) Been working hard and now the weekend is here  
Give it yo best shot  
Show me what you got (It's time to)  
Light one, put it in the atmosphere  
Give it yo best shot  
Show me what you got  
I got that lightning feeling from my head to my toes  
Give it your best shot  
Show me what you got  
So tonight I'm really gonna let myself go  
Give it your best shot  
Show me what you got Dale mamita  
Jump out the sandbox  
Come play with these big boys

You know we're cooler than a polar bear toe nails

Oh yea

That's right
