

# Fuzzbox Voodoo

## ZZ Top

I went down with the fuzzbox  
Grinding a pound or two  
Say I'm down, with a fuzzbox  
Pounding and a workin' it through And because you've got fuzz  
Go on and do what you wanna do I down down with a fuzzbox  
Checking out what it could do  
It was step-2, blue voodoo  
Fuzzed another hour or two Just do it man go with your hand  
Once you understand  
Got to do what she want to do Now lay down on your hot spot  
Listen what I'm tellin' you  
Said lean down with your hot spot  
Hit you with the blue voodoo Just do it dude everybody do  
Once it's understood  
Talking fuzzbox blue voodoo
