

# Bedshaped

Keane

Many's the time I ran with you down  
The rainy roads of our old town  
Many the lives we lived in each day  
And buried altogether Don't laugh at me  
Don't look away You'll follow me back with the sun in your eyes  
And on your own  
Bed shaped  
In legs of stone  
You'll knock on my door and up we'll go  
In white light  
I don't think so  
But what do I know  
What do I know  
I know I know you think I'm holding you down  
And I've fallen by the wayside now  
And I don't understand the same things as you  
But I do Don't laugh at me  
Don't look away You'll follow me back with the sun in your eyes  
And on your own  
Bed shaped  
In legs of stone  
You'll knock on my door and up we'll go  
In white light  
I don't think so  
But what do I know  
What do I know  
I know and up we'll go  
In white light  
I don't think so  
But what do I know  
What do I know  
I know
