Time After Time

INOJ

I'm lying in my bed
Hear the clock ticking, I think of you
Caught up in circles
Confusion, there's nothing newFlashback, warm nights
Almost left behind
Suitcase of memories
Time afterSometimes you'll picture me
I'm walking too far ahead
You're calling to me
I can't hear what you sayAnd you say, go slow
I fall behind
The second hand unwindsIf you're lost, you can look
And you will find me
Time after time
If you fall, I will catch you
I will be waiting
Time after timeIf you're lost, you can look
And you will find me
Time after time
If you fall, I will catch you
I will be waiting
Time after timeAfter my picture fades
And darkness has turned to gray
Watching through windows
You're wondering if I'm okaySecret stolen
All from deep inside
The 808's on timeIf you're lost, you can look
And you will find me
Time after time
If you fall, I will catch you
I will be waiting
Time after timeThat's right
Time after
And you say, go slow
I fall behind
The 808's on timeIf you're lost, you can look
And you will find me
Time after time
If you fall, I will catch you

I will be waiting
Time after timeIf you're lost, you can look
And you will find me
Time after time
If you fall, I will catch you
I will be waiting
Time after timeTime after time
Time after time
Time after time
