The Baby Maker

Carl Thomas

It gives me great pleasure to welcome you
To indigo Monday's tonight
I'd like to take this time to introduce
To you a great young man from Chicago landSo without any further a due put your drinks down
And give a warm round of applause for Chicago land's own
Mr. Carl Thomas, Carl Thomas, ladies and gentlemenOh yeah, yeah
Said I got to get ready
'Cause I wanna be with you tonight
See girl you're my woman and you keep me so satisfied
Life is so special with this precious jewel by my side
I feel that I'm ready to love youOh, baby now, ooo ooo
I wanna make love to you
Oh, baby now, ooo ooo ooo
'Cause you're my loverOh, baby now, ooo ooo
I wanna make love to you
Oh, baby now, ooo
I wanna love youI've got my favorite record on
Compliments of Mr. Marvin Gaye
